

Surah Ta Ha, 83-86 (Importance of a Leader in a Muslim Community)

Excerpt from Mr. Adnan Oktar's Live Interview dated September 14, 2010

Why have you hurried on ahead of your people, Moses?' He said, 'They are following in my tracks. I have hurried on ahead to you, My Lord, to gain Your good pleasure.' He said, 'We tried your people after you left and the Samaritan has misguided them.' Moses returned to his people in anger and great sorrow. He said, 'My people, did not your Lord make you a handsome promise? Did the fulfilment of the contract seem too long to you or did you want to unleash your Lord's anger upon yourselves, so you broke your promise to me?' (Surah Ta Ha, 83-86)

Allah says : "after you left your people went astray". That means Muslims behave perfectly when they have a leader but when there is no leader one pulls from one side and the other from the other side and they dissolve and start behaving abnormally. Allah says that "a hypocrite deviated them". When the Muslims do not have anyone as their leader hypocrites pester.
