

# Surah Al'Imran, 118 (Hypocrites are backstabbers)

**(Excerpt from Mr. Adnan Oktar's Live Interview dated September 19, 2010)**

**You who have faith! Do not take any outside yourselves as intimates. They will do anything to harm you. They love what causes you distress. Hatred has appeared out of their mouths, but what their breasts hide is far worse. We have made the Signs clear to you if you use your intellect. (Surat Al 'Imran, 118)**

A hypocrite is a backstabber. He takes the secrets of Muslims and gives them to the unbelievers. He wants to get them in trouble. What is evil? He tries to break the Muslims' enthusiasm, and makes propaganda against them and in his own mind tries to damage them spiritually. He also wants to do physical evil. He slanders, curses, even aims to kill. His desire to harm the Muslims is reflected in everything that represents hatred. Muslims being arrested, imprisoned, their being insulted, spreading gossip about them, trying to break their power of communicating religion. The hypocrites reflect their rage without fail. Because of their rage they reflect their hatred either by talking or by writing. Muslims would certainly come across with hypocrites, in order to acquire merit in the Sight of Allah they need to come cross with them. Hypocrite is a nourishment for the spiritual growth of the Muslim. The hypocrite criticizes the Muslim but shows himself as if he is kind, giving the impression of humbleness, that is his cover, he covers himself under modesty but actually he is very rampant and aggressive. He has a direct tendency towards murder. That means Allah says "I have explained everything to you in My verses, I am showing you the features of hypocrites and unbelievers, you will grasp it completely if you think good enough".
