**Nahl 97: Erkek olsun, kadın olsun, bir mü'min olarak kim salih bir amelde bulunursa, hiç şüphesiz Biz onu güzel bir hayatla yaşatırız ve onların karşılığını, yaptıklarının en güzeliyle muhakkak veririz.**

**Ahkaf 16: İşte bunlar; yaptıklarının en güzelini kabul ederiz ve kötülüklerinden geçersiz; (bunlar) cennet halkı içindedirler. (İşte bu,) Onlara va"dolunan doğru bir vaaddir.**

God is generous in His bounty to those who are generous in this life. He announces good tidings in both worlds to His faithful servants who strive to win His favor, fear and respect Him, obey the Quran as best as they can, and tell others of the Quran's morality.

While still in this world, believers are honored with blessings that resemble those of Paradise.

The Quran reveals that those who do good will enjoy many blessings:

**{Anyone who acts rightly, male or female, being a believer, We will give them a good life and recompense them according to the best of what they did.} (An-Nahl 16: 97)**

God promises a great and generous reward to those believers whose only goal in this life is to win His favor and mercy and attain Paradise
