A total of 796 Uyghur Turks—196 of them revealed while the remaining 600 are concealed—were, as always, arbitrarily executed with no grounds whatsoever, even without granting them the right to defense. Up until now a total of 35 million Uyghur Turks have been martyred. This is a very terrible violence and a very terrible genocide. **THIS IS THE WORST GENOCIDE IN THE WORLD HISTORY.** This figure increases day by day.

Two years ago Chinese authorities organized the distribution of 100 thousand Uyghur young girls, 15-25 years of age, to regions outside East Turkestan. Our young girls were forced out without their families knowing their aftermath. **THE ENDS OF THESE YOUNG GIRLS ARE STILL UNKNOWN.** China should provide information about the dooms of these Uyghur girls from East Turkestan.

We cannot count on the recent events by saying “what happened has happened”. We cannot keep silent by saying, “those people were executed, our young girls were abducted and the case has been closed”. This implementation has been taking place in China for such a long time. East Turkestani Uyghur Turks have been living under oppression and this tyranny has been perpetual. **THIS IS AN EXPLICIT CRIME AGAINST HUMANITY. THIS GENOCIDE NEEDS TO BE HALTED RIGHT AWAY AND THESE ACTS SHOULD BE BROUGHT TO ACCOUNT. HAGUE TRIBUNAL SHOULD TAKE CHARGE OF IT, CRIMINALS SHOULD BE ARRESTED AND PUNISHED ACCORDING TO THE INTERNATIONAL LAW.**

These executions, violence and injustice will continue as long as the Turkish-Islamic Union is not established. In a world in which the Turkish-Islamic Union exists, it is impossible for China to engage in such a merciless practice without recognizing the International Law.

The Turkish-Islamic Union will both protect the rights of Muslims who live in East Turkestan in the best manner and establish a secure environment in which Chinese and Uyghur Turks live together in peace and brotherhood. It will also contribute to the development and refreshment of China. The Turkish-Islamic Union is a union of love. It is a union of affection, a union of hearts. The bases of this union are love, altruism, helping others, compassion, tolerance and understanding. The aim of the union is also to achieve the highest levels in respect for human beings and in art, science and technology. Once the union is established, not just Turkish societies and Muslims, but the whole world, will attain enlightenment.
