"muslim Creationist Pledges An Award To A Paper Proving The Error Of Darwinism!"

Die Zeit, one of Germany's most popular weeklies, covered the scientific competition being held by the Science Research Foundation on 2 consecutive days. The report on 25 November, 2008, appeared under the caption "Muslim Creationist Pledges an Award to a Paper Proving the Error of Darwinism!" and went on to say:

"The Turkish-Muslim creationist Harun Yahya is offering a prize for an essay competition refuting Darwinism. The award is set at \$64,000."

Readers wishing to take part in the competition or obtain more details about it can apply on this page...
