

Those who ascribe equals to Allah will encounter the horror in their minds in the hereafter

Everyone who does not believe in Allah (God) who fails to properly appreciate Him and to perform his duty to serve Him will be recompensed in Hell in the eternal life of the Hereafter. Yet it is as if some people were intoxicated in the face of this manifest truth. It is possible to give unbelieving evolutionists as example of such people.

Unbelieving evolutionists spend their whole lives denying (surely Allah is beyond that) Allah's existence. They have made defending

this heretical ideology the main purpose of their lives. There is no doubt that their reward for this in Allah's presence will be very terrible. But every lie they tell and every unscientific scenario they produce to turn people from belief in Allah will confront them in Hell as the dark world of the evolutionary myths in their own minds. Unbelieving evolutionists will encounter the same horrendous moral conceptions in Hell that they have in their minds now. Unless Allah wills otherwise, deniers will suffer an eternal life full of torment. (Allah knows the truth.)

**"We created many of the jinn and mankind for Hell. They have hearts they do not understand with. They have eyes they do not see with. They have ears they do not hear with. Such people are like cattle. No, they are even further astray! They are the unaware."
(Surat al-A'raf, 179)**

One of the distinguishing features of evolutionist propaganda is that it is made up of stories based on evolutionists' own imaginations. A scientist telling the story generally sets up evolutionary scenarios with his own personal conceptions and by misinterpreting scientific findings through having adopted evolution as a dogma. That scientist will then seek to impose that scenario on people, suggesting it is a thesis based on sound scientific evidence. In fact, what evolutionists do is to portray wild pigs' teeth as human teeth or else produce hoax skulls by putting bones belonging to different life forms together. Devoid of any evidence with which to prove their theories, Darwinists have no problem with adding a great many imaginary elements to their tales. The fact is, however, that this is an unscientific propaganda technique based on preconception alone.

Imagining that they can deceive people in this way, unbelieving Darwinists have ignored one very important matter for the last 150 years: **These scenarios they have produced in order to deny the existence of Allah (surely our Lord is beyond that) and impose the fraud of evolution on humanity, and which merely reflect their own unhealthy states of mind, will rise up before them, one by one, in Hell. (Allah knows the truth)**

Allah has created every detail of life in Hell as a response to the deniers. There are

many verses in the Qur'an that describe the torment-filled life of Hell in both physical and also psychological and social terms. Looking at the details about Hell that Almighty Allah reveals in these verses, it is clear that Allah has prepared Hell as a reward for unbelievers who deny Him and take chance as their deities (surely our Lord is beyond that), in a manner that parallels their heretical beliefs. The fictitious process of evolution that they have been trying to impose on humanity for centuries will itself be imposed on evolution, skipping not a single detail. Everything, from their food to their clothes, from the terrifying human forms in Hell to their life styles full of mental and physical suffering, will be as dark and painful as in their own scenarios. In this way, unbelieving evolutionists will encounter a climate and philosophy of life that matches their own ideas. Parallel to their own claims, they will live alongside terrifying creatures like the intermediate forms they invented in their own imaginations, will be subjected to an endless class conflict, will be denigrated because of ideas about master races and will suffer in the kind of dark and smoky environment they claim existed in the primeval world. (Surely Allah knows the truth.)

We can describe the environment that exists in the minds of persons, who deny Allah's sublime creation (Allah is beyond that) and who invent all kinds of tales about how the universe, the world and human beings came into existence, and that they will themselves experience in Hell, as follows:

1- What Do Unbelieving Evolutionists Maintain?

They Claim Human Beings, That Allah Created with Such Superior Features, Are Descended from Apes

Evolutionists claim that human beings, entities possessed of consciousness and free will and able to think, reason, and make decisions and judgments, are descended from apes, which in terms of consciousness, are no different from horses or mice.

What Will Happen in Hell?

Those Who Deny Allah's Creation (Surely Allah is beyond that) Will Be Made Despicable Apes in This World and the Hereafter
"We said to them, 'BE APES, DESPISED, CAST OUT.'" (Surat al-Baqara, 65)

“Say: ‘Shall I tell you of a reward with Allah far worse than that: that of those whom Allah has cursed and with whom He is angry – turning some of them INTO MONKEYS AND INTO PIGS – AND WHO WORSHIPPED FALSE DEITIES? Such people are in a worse situation and further from the right way.’” (Surat al-Ma’ida, 60)

“When they were insolent about what they had been forbidden to do, We said to them, ‘BE APES!’” (Surat al-A’raf, 166)

2- What Do Unbelieving Evolutionists Maintain?

They Claim That Human Beings Evolved from So-Called Reptiles

Evolutionists claim that all the living species on Earth came about through evolution over a very long period of time. According to this fictitious scenario, some fish felt the need to move to dry land for various reasons, and a number of changes then began taking place in them. As fish gradually moved onto dry land they slowly turned into amphibians and initiated the supposed process of evolution.

What Will Happen in Hell?

In the Hereafter, Almighty Allah Will Assemble the Unbelievers in Hell by Dragging Them on Their Faces, ‘Like the Reptiles in the Scenario of Evolution’

“Whoever Allah guides is truly guided. But as for those He leads astray, you will not find any protectors for them apart from Him. WE WILL GATHER THEM on the Day of Resurrection, FLAT ON THEIR FACES, BLIND, DUMB AND DEAF. Their shelter will be Hell. Whenever the Blaze dies down, We will increase it for them.” (Sura al-Isra’, 97)

“the Day THEY ARE SHOVED ROUGHLY into the Fire of Hell: ‘This is the Fire which you denied!’” (Surat at-Tur, 13-14)

3- What Do Unbelieving Evolutionists Maintain?

They Claim That They Are Descended “from So-Called Intermediate Forms That Were Unable to Speak, See or Hear”

According to what evolutionists claim, there should have been many life forms that reflected the transition between two species and that bore the features of both. For example, before fish moved onto dry land and turned into reptiles a great many half-lunged and half-gilled, or half-legged and half finned life forms must have existed. Or until apes finally turned into human beings many half-human and half-ape life forms must have existed over many millions of years. Evolutionists call these fictitious entities they believe once existed “intermediate forms.” According to their scenario,

during the time of this intermediary transition, a major stage in the so-called evolutionary process, there must have been many life forms with deficient or missing organs between two different species, for which reason there must have been creatures that could not see or hear. The fact is, however, that no evidence for one single intermediate form has been found in any of the millions of fossil specimens that have been extracted from the different strata of the Earth.

What Will Happen in Hell?

Allah Will Assemble the Unbelievers as Entities "Unable to See, Hear or Speak," Just Like They Wanted

"But if anyone turns away from My reminder, his life will be a dark and narrow one and on the Day of Rising WE WILL GATHER HIM BLIND." (Surah Ta-Ha, 124)

"...SO WE PUT OUT THEIR EYES: 'Taste My punishment and warnings!'" (Surat al-Qamar, 37)

"...WE WILL GATHER THEM on the Day of Resurrection, flat on their faces, BLIND, DUMB AND DEAF. Their shelter will be Hell. Whenever the Blaze dies down, We will increase it for them." (Sura al-Isra', 97)

4- What Do Unbelieving Evolutionists Maintain?

They Claim That Amino Acids and Proteins Can Emerge by Chance from Boiling Water

In another scenario they have come up with, evolutionists claim that amino acids, proteins and even cells can form by chance in boiling water, and that cells can also combine together by chance to give rise to living organisms.

What Will Happen in Hell?

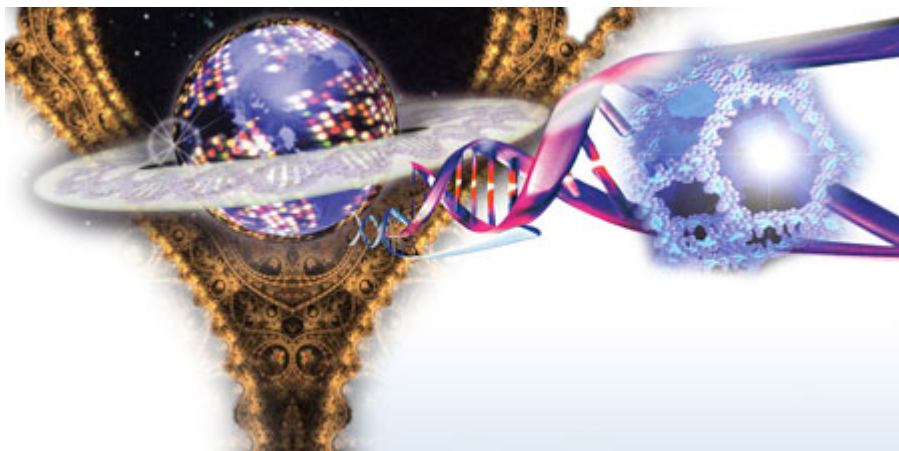

When They Are Thirsty in Hell, Unbelievers Will Be Given the Boiling Water They Adopted as a Deity to Drink

“Each and every one of you will return to Him. Allah’s promise is true. He brings creation out of nothing and then regenerates it so that he can repay with justice those who had faith and did right actions. Those who were unbelievers will have A DRINK OF SCALDING WATER and a painful punishment because of their disbelief.” (Surah Yunus, 4)

“Then they will have A BOILING BREW TO DRINK on top of it. Then their destination will be the Blazing Fire.” (Surat as-Saffat, 67-68)

“...you deniers will eat from the tree of Zaqqum, filling your stomachs with it AND DRINK SCALDING WATER ON TOP OF IT, SLURPING LIKE THIRST-CRAZED CAMELS. (Surat al-Waqi’a 52-55)

5- What Do Unbelieving Evolutionists Maintain?

They Depict Human Beings Who Lived in Prehistoric Times as Ape-Men in Their Imaginary Illustrations

The best known evolutionist propaganda technique is “reconstruction.” This means making an imaginary model or picture of a living thing, of which sometimes only a fragment of bone may have been found. The “ape-men” we see in newspapers, magazines and films are all reconstructions. Evolutionists pick up their paint brushes and draw ugly-looking and imaginary creatures, but the absence of any fossil remains from these represents a terrible dilemma for them. Therefore, reconstructions merely reflect evolutionists’ powers of imagination, and not

scientific findings.

What Will Happen in Hell?

The Unbelievers Will Be Turned into the Ugly Life Forms They Depicted in Their Illustrations in Order to Deny Allah's Creation (May Our Lord Forgive Us)

"On the Day when faces are whitened AND FACES ARE BLACKENED. As for those whose FACES ARE BLACKENED: 'What! Did you become unbelievers after having had faith? Taste the punishment for your disbelief!'" (Surah Al 'Imran, 106)

"On the Day of Resurrection you will see those who lied against Allah with their FACES BLACKENED. Do not the arrogant have a dwelling place in Hell?" (Sura az-Zumar, 60)

"The Fire will sear their faces, making them grimace horribly in it, THEIR LIPS DRAWN BACK FROM THEIR TEETH. 'Were My Signs not recited to you and did you not deny them?'" (Surat al-Muminun, 104-105)

"On the Day the Trumpet is blown – and We will gather THE EVILDOERS, SIGHTLESS on that Day –" (Surah Ta-Ha, 102)

"Some faces on that Day WILL BE DOWNCAST, laboring, toiling endlessly," (Surat al-Ghashiyya, 2-3)

6- What Do Unbelieving Evolutionists Maintain?

They Claim The Universe Came into Being by Chance out of Darkness and Chaos

Everything on Earth, animate or inanimate, was created by Almighty Allah telling it to "Be!" Evolutionists, however, believe in the nonsense that the universe, was initially in a state of darkness and chaos, and life came into being through coincidences combining together in a completely impossible manner.

What Will Happen in Hell?

Allah Will Create an Environment of "Darkness and Chaos" for The Unbelievers

"SO BE ON THE WATCH FOR A DAY WHEN HEAVEN BRINGS FORTH A DISTINCTIVE SMOKE WHICH ENSHROUDS MANKIND. 'THIS IS A PAINFUL PUNISHMENT'." (Surat ad-Dukhan, 10-11)

"and THE MURK OF THICK, BLACK SMOKE, providing no coolness and no pleasure. Before that they were living in luxury, persisting in immense wrongdoing." (Surat al-Waqi'a, 43-46)

7- What Do Unbelieving Evolutionists Maintain?

Unbelieving Evolutionists Claim That Human Beings Who Lived in Very Ancient Times Had Primitive Civilizations

Evolutionist scientists have produced a scenario of historical development in order to account for a supposed process of evolution that extends back to single-celled organisms, and from them to multi-celled organisms, apes and finally human beings. They have come up with the lie of brutish cave-men, whom they describe as "primitive," and say that these were half-human and half-ape, lacking the power of speech, wearing no clothes, unable to stand upright and communicating through strange grunts. They then invented such imaginary periods as "the Stone Age" in order to explain these people's life styles.

What Will Happen in Hell?

Unbelievers Will Inhabit the Same Dark, Murky Environment They Imagine Existed in the Stone Age

"That Day SOME FACES WILL BE DUST-COVERED, OVERCAST WITH GLOOM. Those are the dissolute unbelievers." (Surah 'Abasa, 40-42)

"And the Companions of the Left: what of the Companions of the Left? Amid searing blasts and scalding water and THE MURK OF THICK BLACK SMOKE PROVIDING NO COOLNESS AND NO PLEASURE." (Surat al-Waqi'a, 40-44)

"When it sees them coming from a long way off, they will hear it seething and rasping. WHEN THEY ARE FLUNG INTO A NARROW PLACE IN IT, SHACKLED TOGETHER IN CHAINS, they will cry out there for destruction. 'Do not cry out today for just one destruction, cry out for many destructions!'" (Sura al-Furqan, 12-14)

Because They Lied and Said "Early Humans Had No Clothes," They Will Have No Clothes in Hell, But Will Be Garbed in Flames

"Here are two rival groups who disputed concerning their Lord. Those who are unbelievers WILL HAVE GARMENTS OF FIRE CUT OUT FOR THEM, and boiling water poured over their heads, which will melt the contents of their bellies as well as their skin," (Surat al-Hajj, 19-20)

"WEARING SHIRTS OF TAR, their faces enveloped in the Fire."

8- What Do Unbelieving Evolutionists Maintain?

Social Darwinists Maintain the Lie That Bloody Dictatorships Are Essential for World Order

The common feature of dictators such as Stalin, Lenin, Brezhnev, Mao, Pol Pot and Hitler, who perpetrated the worst slaughter in the history of the world, is that they were all Social Darwinists. In the bloody dictatorships supported by Darwinism, millions of people were subjected to genocide, hundreds of thousands of people in many countries, from England to Germany and from the USA to Sweden, were forcibly sterilized or left to die because they were ill, deformed or old, and because of ruthless competition, people all over the world were oppressed, exploited and obliged to live like pack animals.

What Will Happen in Hell?

Unbelievers Will Be Subjected to Mass Suffering, Like That in the Communal Systems They Set up in This World

"He will say, 'Enter the Fire TOGETHER WITH the nations of jinn and MEN WHO HAVE PASSED AWAY BEFORE YOU.' Each time a nation enters, it will curse its sister nation, until, WHEN THEY ARE ALL GATHERED TOGETHER IN IT, the last of them will say to the first, 'Our Lord, those are the ones who misguided us, so give them a double punishment in the Fire.' He will say, 'Each will receive double. But you do not know it'." (Surat al-A'raf, 38)

They Will Be Punished Using the Same Torture Techniques They Established in Their Bloody Dictatorships

"WE HAVE PUT IRON COLLARS ROUND THEIR NECKS REACHING UP TO THE CHIN, SO THAT THEIR HEADS ARE FORCED BACK. We have placed a barrier in front of them and a barrier behind them, blindfolding them so that they cannot see." (Surah Ya Sin, 8-9)

"WE HAVE MADE READY FOR THE UNBELIEVERS SHACKLES AND CHAINS and a Searing Blaze." (Surat al-Insan, 4)

"That Day no one will punish as He punishes AND NO ONE WILL SHACKLE AS HE SHACKLES." (Surat al-Fajr, 25-26)

"As for those who are wretched, they will be in the Fire, WHERE THEY WILL SIGH AND GASP, remaining in it timelessly, for ever, as long as the heavens and earth endure, except as your Lord wills. Your Lord is the Doer of what He wills." (Surah Hud, 106-107)

9- What Do Unbelieving Evolutionists Maintain?

Social Darwinists Provoked Racism with the Lie of "Favored Races"

One can find racist societies, rulers and practices in many periods of history. But it was the theory of evolution that first provided racism with a supposed scientific validity. With the validity bestowed on racism by the theory of evolution, 19th and 20th century scientists had no qualms or reservations about speaking of such fictitious concepts as "inferior" races or races being more ape than human. Oppressive dictators such as Hitler took the opportunity to kill millions of people for being what they regarded as "inferior," "inadequate," "flawed" or "sick."

What Will Happen in Hell?

Unbelieving Social Darwinists Who Claimed They Belonged to a Superior Race and Despised Other Races Will Be Disgraced in Hell

"into the middle of the Blazing Fire. Then pour the punishment of boiling water on his head.' 'Taste that! YOU ARE THE MIGHTY ONE, THE NOBLE ONE! This is the very thing you used to doubt'." (Surat ad-Dukhan, 47-50)

"SEIZE HIM AND TRUSS HIM UP. THEN ROAST HIM IN A BLAZING FIRE. THEN BIND HIM IN A CHAIN WHICH IS SEVENTY CUBITS LONG. He used not to have faith in Allah the Magnificent, nor did he urge the feeding of the poor." (Surat al-Haqqa, 30-34)

"Then ON THE DAY OF RESURRECTION HE WILL DISGRACE THEM, and say, 'Where are My partner deities for whose sake you became so hostile?' Those given knowledge will say, 'TODAY THERE IS DISGRACE AND EVIL FOR THE unbelievers.'" (Surat an-Nahl, 27)

10- What Do Unbelieving Evolutionists Maintain?

The Darwinist Mindset Maintains That the Mentally Handicapped May Be

Killed for Food or Scientific Experiments

With the theory of evolution, Charles Darwin ignored the solidarity and mutual assistance created in nature by Allah and proposed that all living things were engaged in a ruthless struggle for survival. Darwin's theory of evolution emerged as social Darwinism when applied to societies. Social Darwinism spread with the perverted idea that life was a "battleground," and that human beings had to live to win that struggle or at the very least to adapt to that savage environment. Under the influence of this movement, devoid of any scientific validity, many people began regarding ruthlessness, savagery and cruelty as quite normal. Darwinist thinking caused human life to be regarded as worthless. The most obvious indications of this are the way that evolutionists maintained that the mentally ill could be killed for scientific experimentation or, even more outrageously, used for food.

What Will Happen in Hell?

Since They Regarded Eating Human Flesh As Permissible, Unbelievers Will Be Fed Blood, Pus, Thorns and from the Tree of Zaqqum

"...not tasting any coolness there or any drink, except for BOILING WATER AND SCALDING PUS – a fitting recompense." (Surat an-Naba', 24-26)

"Therefore here today he has no friend NOR ANY FOOD EXCEPT EXUDING PUS which no one will eat except those who were in error." (Surat al-Haqqa, 35-37)

"Is that better by way of hospitality or the TREE OF ZAQQUM which We have made to be an ordeal for the wrongdoers? It is a tree that emerges in the depths of the Blazing Fire. ITS FRUITS ARE JUST LIKE THE HEADS OF SHAYTANS. They will eat from it and fill their bellies with it." (Surat as-Saffat, 62-66)

"They have no food but A BITTER THORNY BUSH WHICH NEITHER NOURISHES NOR SATISFIES." (Surat al-Ghashiyya, 6-7)

11- What Do Unbelieving Evolutionists Maintain?

Social Darwinists Are Not in Favor of Helping the Needy

According to the lies of the Darwinist mindset, which regards human beings as a kind of animal, the weak and needy are of no value. Under the logic of Social Darwinism, nothing needs to be done to rescue people from suffering, difficulty and fear. These people should be left unaided and unprotected.

What Will Happen In Hell?

In the Same Way They Never Helped the Needy in This World, Unbelieving Social Darwinists Will Not Be Helped in Hell

“Those are the people who trade the Hereafter for the world. The punishment will not be lightened for them. THEY WILL NOT BE HELPED.” (Surat al-Baqara, 86)

“Do you not see those who were given a portion of the Book having faith in idols and false deities and saying of those who are unbelievers, ‘These people are better guided on their path than the believers’? Those are the ones Allah has cursed. **AND IF SOMEONE IS CURSED BY ALLAH YOU WILL NOT FIND ANYONE TO HELP HIM.” (Surat an-Nisa, 51-52)**

“Say: ‘It is the truth from your Lord; so let whoever wishes have faith and whoever wishes be unbelievers.’ We have prepared for the wrongdoers a Fire whose billowing walls of smoke will hem them in. **IF THEY CALL FOR HELP, THEY WILL BE HELPED WITH WATER LIKE SEETHING MOLTEN BRASS, FRYING THEIR FACES. WHAT A NOXIOUS DRINK! WHAT AN EVIL REPOSE!” (Surat al-Kahf, 29)**

CONCLUSION:

AN URGENT CALL TO DARWINISTS!

Those taken in by the error of Darwinism need to be aware of a very important truth: **the theory of evolution that they seek to defend despite all its deficiencies and errors is now bereft of any scientific validity.** Every new advance in the world of science confirms that fact once again and consigns the theory of evolution to the dusty shelves of history. In addition, history shows that the model of life proposed by the theory of evolution means oppression, injustice, ruthlessness and injustice and brings with it nothing but suffering, tears and loss. Darwinists must therefore realize the evils they proselytize and at once cease defending this irrational and unscientific theory by freeing themselves from their preconceptions.
