

# Unaware of the unpleasant face of Atheist Freemasonry, many devout people unwittingly serve the atheist Masonic system

Atheistic freemasonry is a secret, worldwide organization. The organization's cunning and secret plan is to spread strife among believers, to lead the world toward irreligion, war and disorder and to establish a loveless human society whose members are in constant conflict with one another by spreading Darwinist philosophy across the globe. The reason why the masonic system that rules the world has this aim is because the representatives of the system receive the order to spread corruption across the world directly from satan himself. The demon that senior atheist masons worship and receive their orders from is known as Lucifer. The Lucifer worshiped by the atheist masons is

described as follows in one reference source:

Lucifer is an equivalent of satan, and, moreover, THE LUCIFERIAN CULTUS IS SO ADMITTEDLY ANTI-CHRISTIAN THAT NO FORM OF CHRISTIANITY COULD DO OTHERWISE THAN REGARD IT AS A WORSHIP OF DARKNESS AND EVIL.<sup>i</sup>

Masonry was organized as a reaction to Christian belief and also opposed all the other faiths that praise Allah as the One and Only. But atheist masons never expressed this openly and strive to achieve their aims under a religious guise. Despite being a reaction and belief system opposed to all divine religions, atheistic freemasonry used its religious guise in a highly effective manner. This is described in these words in one reference:

Jim Shaw who was a 33 degree freemason (and then became a born again Christian) writes, '...FREEMASONRY IS A WORLD-WIDE CONSPIRACY TO DESTROY THE CHURCH OF GOD ON EARTH, a means to bring about a one world church and government. With the Unitarian and Theosophical system in masonry it is nearing this goal. Unsuspecting Christians, who do not know that masonry is controlled by satan, are also aiding it instead of exposing it'...

W. L. Wilmhurst summarized the reality that a new Christian entrant to a lodge would encounter:

... but as they are told that religious discussion, which means, of course, secretarian religious discussion, is forbidden in the Lodge, they infer that Masonry is not a religious institution...

So, masons who are 'Christians' are disobeying Jesus' command. <sup>ii</sup>

As these words show, many devout Christians are unaware of how the masonic system that emerged as the greatest threat to Christianity acts behind a religious mask. This sinister organization with its Christian mask is able to spread its heretical views in this way and even influence a number of devout believers. It is this masonic indoctrination that underlies the distorted perspective toward Islam of some evangelicals, their expectation of war and disorder in the time of Hazrat Mahdi (as) who will actually bring peace and security to the world today and the completely incomprehensible belief that Hazrat Mahdi (as) will annihilate one-third of the world's population.

This extract from the book *FREEMASONRY, The Invisible Cult in our Midst* by former Grand Master Jack Harris are particularly striking:

"If you want to worship God, go to your church; we worship the Supreme Architect of the Universe Here." **iii**

As we have already made clear in great details in previous articles, the great architect of the universe worshiped by the atheist masons [represents](#) Lucifer, in other words, SATAN. Therefore, the meaning of the above statements is clear: it is impossible for a devout Christian to be a part of a heretical environment involving the worship of satan. In an environment in which satan is worshiped, only those things desired by satan will be done and actions reflecting satan's ferocity, hypocrisy and rebellion will be planned. It is clear that no decisions reflecting moral virtue, peace, security, friendship or brotherhood will be taken in an environment in which orders are received from satan. All that will be talked about in this environment ruled by satan is slaughter, war, rage, anger and killing. Under its devout and innocent mask, atheistic freemasonry imposes the decisions taken in this environment ruled by satan on some evangelicals and some Muslims. That is the basic reason why some evangelicals and Muslims expect war and slaughter when they should espouse peace and security and unity and brotherhood among believers as required by the law of Allah. They have unwittingly been deceived by the vile indoctrination of masonic circles.

The masonic strategy in question is a major one and has succeeded among some devout believers. Its aim is to turn people away from belief in Allah, set true believers who believe in the one Allah against one another, hinder believers who would represent a major force if properly united, strengthen atheist, Darwinist and materialist philosophy by preventing the growth of faith in the world and by doing so to prepare a groundwork of slaughter, war and murder for the antichrist, the corruptor of the End Times. Those people who are misled by masonic circles into regarding believers as the enemy and who expect terrible slaughter in the time of Hazrat Mahdi (as) are thus in a terrible state of error.

Contrary to the vile imputations of masonic circles, the time of the Prophet Jesus (as) and Hazrat Mahdi (as) will be one of peace, security and well-being. This period will be one when true believers in the one Allah unite and grow stronger. In this time, not a single person's nose will be made to bleed and the sleeper will never be awakened. The vile plots of masonic circles will be brought low, because this is our Almighty Lord's promise:

**They concocted their plots, but their plots were with Allah, even if they were such as to make the mountains vanish. (Surah Ibrahim, 46)**
