

# Former German Chancellor Gerhard Schroeder teaches Islam to Europe

"Islam is not a political ideology but a religion of peace. The Qur'an teaches this." said Former German Chancellor Gerhard Schroeder, while expressing that Islam faith and Muslim people should always be referred positively.

Schroeder also emphasized especially that German people should never give credence to any of these fake statements about Islam covers violence and said; "There were two World wars which took place in the past century and the Muslim Countries were definitely not the reasons of these. We do not have a right to act in a spoiled way to these people."
