

The Lausanne Conference With The Participation Of Mr. Adnan Oktar

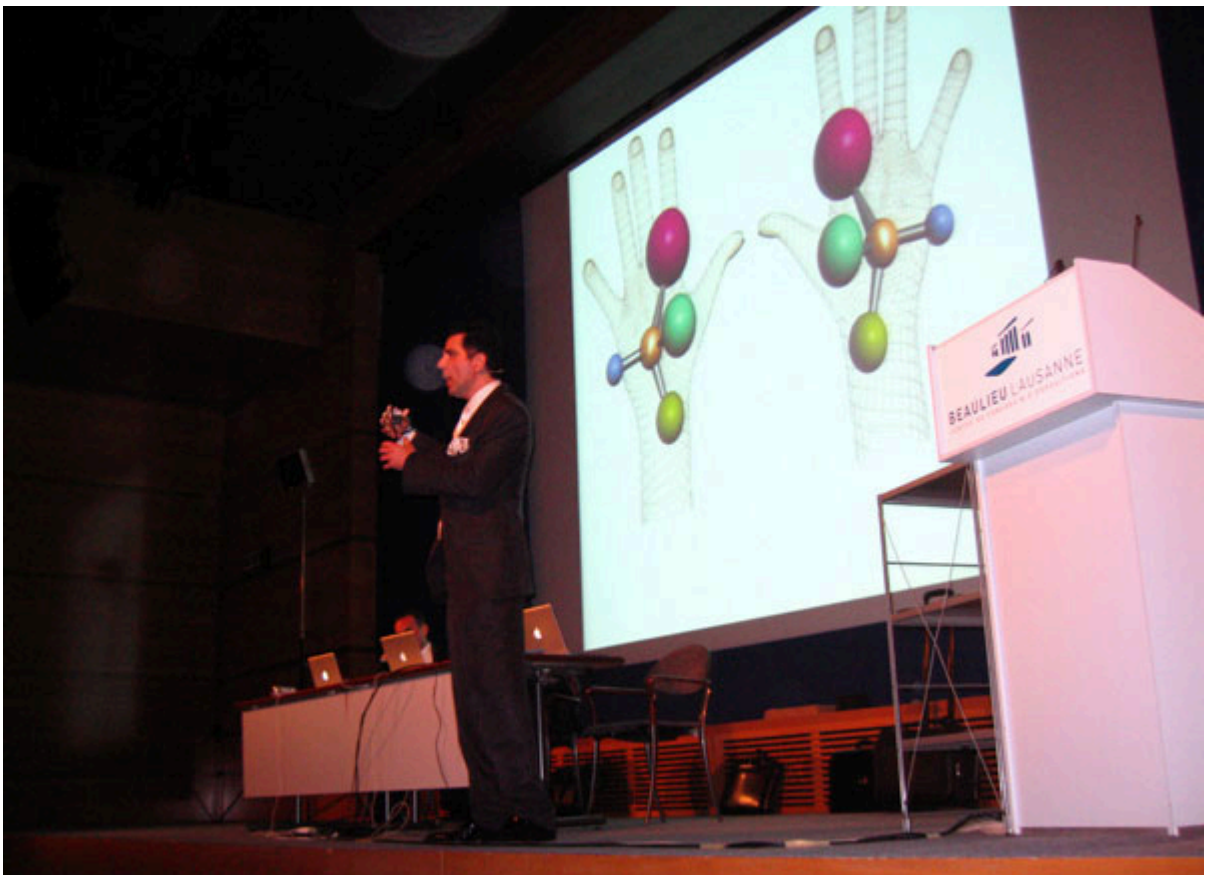

The conference titled **"The Evolution Deceit and the Fact of Creation"** and **"Secret Beyond the Matter"** held in the city of Lausanne, Switzerland, at the Beaulieu Congress Center on May 25th, 2010 caused a great [panic](#) among Darwinist circles. All of the leading Swiss newspapers devoted extensive space to the conference and many television channels including the Swiss National television covered the conference.

Mr. Adnan Oktar attended the conference through video conferencing and answered the questions of the listeners by explaining how the theory of evolution is a deceit.

You can listen to Mr. Adnan Oktar's comments about the conference held at the city of Lausanne from [this link](#).
