

Today's Science And The Qur'an Leads To Way To Science Conference In West Yorkshire

Representatives of Harun Yahya held a conference at the Indian Muslim Welfare Society (IMWS), which is located in the Batley region of West Yorkshire and has been a part of the community for more than fifty years, as part of the conference series in England on the 4th of February 2012. The conferences about Today's Science and [the Theory of Evolution](#) and [the Qur'an Leads the Way to Science](#) as well as the fossil exhibition attracted great attention despite heavy snow. During the question and answer session at the end of the conference, the questions asked by attendees were answered with scientific evidence. Both those who organized the conference and the attendees noted that they were very pleased with the conference.

Q&A Session

IMWS & Harun Yahya Foundation
Presents
Session 1

Today's Science & Evolution Theory

Session 2

Quran Leads the Way to Science

Saturday 4 February 2012
6:00pm - 8:00pm
