

# " "islam And Peace" ", " "the Collapse Of Atheism" " Conferences At The University Of Oxford Brookes

Harun Yahya representatives held two conferences about "[Islam and Peace](#)" and "[The Collapse of Atheism](#)" at the University of Oxford Brookes, one of the best universities of England having earned the "Best University" title for seven years in a row, on the 17<sup>th</sup> of April 2012. The conference organizer was Dr. Seyh Remzi, who is the director of Oxford Islam Knowledge Center and various Islamic foundations, and who is also a peace representative of the United Nations. At the conference, Rabbi Ben Abrahamson also made a speech about Islam being a religion of peace and mentioned the importance of Harun Yahya's works in the world of Islam. At the conference, where the invalidity of [Darwinism](#) was discussed thoroughly, the questions by critical listeners were answered in detail.
