

Armageddon

They are preparing the ground for supposedly legitimizing Armageddon in their eyes. They intend to commit very severe bloodshed. Of course, we will not permit that. Turkish-Islamic Union, Islamic Union, will prevail across the entire region. Peace and happiness will reign, insha'Allah. Love versus bloodshed. Friendship versus anarchy. Science, art, culture and beauty will reign, insha'Allah.

The direction of the world is currently in the hands of Jesus the Messiah (as), Hazrat Mahdi (as) and Hazrat Khidr (as), the three of them together. These three have put an end to wars. Otherwise they were going to cause a false Armageddon. Armageddon has passed, it was the war fought in Iraq. They were preparing for more comprehensive bloodshed. But it was stopped through the efforts of the Messiah (as), the Mahdi (as) and Hazrat Khidr (as), insha'Allah. The world is now being run through the prayers of Jesus the Messiah (as).
