

# Prophet John (pbuh)

**A9 TV, 5 September 2012**

**The word "sayyid" appears in only one place in the Qur'an**, in verse 39 of Surah Al 'Imran. As you know, the Mahdi (pbuh) is a sayyid. The sayyid Muhammad Mahdi. Everyone knows that; it is well known. It appears in the Risale-i Nur and everywhere. It appears in only this one word in the Qur'an. In reference to whom? To John (pbuh). As Zachariah was praying, **"The angels called out to him while he was standing in prayer in the Upper Room: 'Allah gives you the good news of John, who will come to confirm a Word from Allah, and will be a leader [sayyid] and a celibate, a Prophet and one of the righteous.'**" The upper part of the mosque. The angels called out to him.
