

Bediuzzaman replies to those who say, "Hazrat Mahdi (pbuh) coming as an individual and putting an end to the corruption of the end times is not compatible with the law of Allah."

IN THE TIME OF THE WORST CORRUPTION OF THE END TIMES HE WILL SEND A LUMINOUS INDIVIDUAL, who is both the greatest mujtahid, and the greatest mujaddid, and a judge, and a mahdi, and a spiritual guide, and the qutb-ul azam **AND THAT INDIVIDUAL WILL BE FROM THE AHL AL-BAYT OF THE PROPHET.**

What is our Master saying?

In the time of the worst corruption of the End Times, he says, Hazrat Mahdi (pbuh) will come when Darwinism and materialism have grown strong and spread, when people have turned away from religion because of that, and when wars, oppression, murder, suicide, injustice, hunger and poverty are at their peak. (burada kargaşa fitne görüntüleri kullanılabilir)

At just such a time, Allah will send Hazrat Mahdi (pbuh) as an individual, and he says that Hazrat Mahdi (pbuh) will be from the line of our Prophet (saas).

And Bediuzzaman goes on,

In the same way that Almighty Allah fills the world of the earth and sky with clouds and empties them in a minute and calms sea storms in a second and **produces an example of summer in fall within an hour and produces a winter storm in summer, SO HE CAN LIFT THE OPPRESSION OF THE WORLD OF ISLAM WITH THE MAHDI. And He has promised that, and OF COURSE HE WILL KEEP His promise.**

Our master is saying that in the same way that it is easy for Allah to fill the sky with clouds and cause it to rain, to still sea storms and to produce summer in fall or winter in summer, so it is easy for Him to put an end to the oppression of the Islamic world through Hazrat Mahdi (pbuh). Allah has promised that He will send Hazrat Mahdi (pbuh) and will free the Muslim world through him. This promise will definitely be made good.

And our master once again issues a reminder to those who say that Hazrat Mahdi (pbuh) will not come as a person and that the coming of the Mahdi (pbuh) and his doing great things are incompatible with the law of Allah:

Of course that great zeal and powerful determination will come and **HAZRAT MAHDI WILL TAKE CHARGE** and encourage people to the right course and the truth, **AND WE AWAIT THIS FROM THE LAW OF ALLAH AND THE DIVINE MERCY, AND ARE RIGHT TO AWAIT IT, LIKE SPRING COMING AFTER WINTER.** (*Letters, p. 422-424*)

This means that the coming of Hazrat Mahdi (pbuh) will be as compatible with the law of Allah as spring coming after winter.

This means that Allah will send the person of Hazrat Mahdi (pbuh) and put an end to all oppression through him.

This means that what our Prophet (saas) said, will definitely come true.

Therefore, Muslims must pray for Allah to bring about these delights foretold by our Prophet (saas) and Bediüzzaman at once and must expect Hazrat Mahdi (pbuh) with joy, fervor and determination.
