

The Darwinist deception is a disgrace against all mankind!

For the last 150 years, people have been obliged to believe in Darwinism as an official ideology.

THE WORLD MUST FINALLY PUT AN END TO BEING TAKEN IN BY THE LIE THAT IS DARWINISM.

DARWINISTS HAVE CONCEALED 350 MILLION FOSSILS THAT PROVE CREATION. THEY HAVE CONCEALED THE FACT THAT NO TRANSITIONAL FORM FOSSILS EXIST.

THEY HAVE CONCEALED THE FACT THAT NOT EVEN A SINGLE PROTEIN CAN COME INTO BEING BY CHANCE and have made people believe the lie that "life emerged by chance."

They have pointed to **FALSE SKULLS** as evidence for the supposed evolution of man.

THEY HAVE PERPETRATED FRAUDS. They have produced hoax fossils and shamelessly exhibited these for decades.

They have used the **EQUINE EVOLUTION SERIES, WHICH IS KNOWN TO BE FALSE,** as supposed proof for evolution in school textbooks.

They have tried use the SO-CALLED **INDUSTRIAL EVOLUTION MOTHS WHICH THEY FORMED BY STICKING THE MOTHS ONTO TREES** and photographed as evidence for evolution by natural selection.

THEY KEPT CAMBRIAN FOSSILS, which are definitive proof of creation, **CONCEALED FOR 70 YEARS.**

They have spread the lie that **MUTATIONS AND NATURAL SELECTION GIVE RISE TO NEW LIFE FORMS,** even though this is scientifically impossible.

AND NOW THEY ARE TERRIFIED OF FOSSILS THAT PROVE THAT EVOLUTION NEVER HAPPENED!

Fossils, which people occasionally come across in their gardens, by the sea or down in mines and which can easily be found by anyone, have literally turned into a nightmare for Darwinists.

The teaching and propagation of evolution, a pagan idea that has come down to us from the Sumerians, is imposed by the Darwinist dictatorship, while all kinds of efforts are made to suppress the exhibition and discussion of fossils, concrete proof of creation.

The aim is to keep the scientific facts hidden under pressure from communists, atheists and materialists. Darwinists' great fear of science is proof of the wretched nature of their ideology.

If Darwinists were really confident of their theory there would be no need for them to panic in the face of the facts revealed by science. Instead of trying to muffle science with the fascistic methods of the last century, they could just produce their own evidence, if they had any. But that they can never do **BECAUSE THERE IS NOT ONE SINGLE SCIENTIFIC FINDING TO SUPPORT EVOLUTION. BECAUSE SCIENCE REFUTES EVOLUTION!**
