

# The Annual Conference on Cultural Diplomacy in Berlin

The Annual Conference on Cultural Diplomacy is the world's leading event in the field of cultural diplomacy co-hosted and organized by the Institute for Cultural Diplomacy and the IMAN Foundation and took place between December 17-21, 2013. The conference brings together heads of state & leading politicians, senior diplomats, leading governmental officials, senior academics, renowned authors, journalists, and celebrated artists including an interdisciplinary group of participants traveling to Berlin from all over the world in the fields of cultural diplomacy & international relations, peace building and human rights. A9 TV followed the whole event, held interviews and Dr. Oktar Babuna -as the representative of Mr. Adnan Oktar- made a speech about the positive role of religion in politics and conflict resolution.
