

New Statements by Mr. Adnan Oktar (28 May 2016)

HAZRAT MAHDI (PBUH) WILL APPEAR WITH THE STAFF OF THE PROPHET MOSES (PBUH) AND THE RING OF THE PROPHET SOLOMON (PBUH)

Mahdi (pbuh) will also have the staff of the Prophet Moses (pbuh), or rather, a piece of the staff; it will also be included in the Ark of the Covenant. He will have, again, a piece of the staff of the Prophet Solomon as well; as you know, his staff was broken into pieces. The Ark of the Covenant contains the staff of Moses (pbuh), but only a piece of it, not the whole. **“When Qaim, the Mahdi, (pbuh) appears, he would do so with the flag of the Messenger of God (s.a.w.s.), the ring of Prophet Sulaiman (pbuh) and the staff and stone of Musa (pbuh).”** (Bihar al-Anwar, Volume 51,52,53, page 246) The staff will be brought to him by the Archangel Gabriel (pbuh). This means that the Mahdi (pbuh) will obtain the staff of the Prophet Moses (pbuh) from somewhere else.

“When al-Qa'im (the Mahdi) appears, he will appear with the banner of the Prophet Muhammad (saas), the ring of Solomon (pbuh) and the rock and the staff of Moses (pbuh).” (Al-Ghaybah al-Numani, translated by Abdullah Al-Shahin, page 517.) **“Imam Muhammad Baqir (a.s.) said: By Allah, they will fight so much that all would submit to the oneness of the Almighty Allah and no polytheist would be left.”** (Bihar Al-Anwar, Volume 51,52,53, page 240) In other words, polytheism will be completely eliminated. He will teach people that all the power belongs to God.

Again, **“When Qaim Mahdi rises, he will root out the reasons of enmity and dissension from people's hearts.** Therefore, there will be an overall state of safety and security. When Qaim Mahdi appears, he will bring with him a new system of spreading Islam, a new duty, new books...”, our Prophet (saas) says that Mahdi (pbuh) will appear along with new books. “...a new system and a new commandment, and the Arabs will find it quite difficult to become accustomed to.” (Al-Asbat al-Huda, Volume 72, page 83.) Look, **“Mahdi will appear along with new books and a new system”** says our Prophet (saas).

HYPOCRITES POSSES AN EVIL INTELLIGENCE, AND THE DEEP STATES QUICKLY IDENTIFY THEM AND EXPLOIT THEM FOR THEIR OWN ENDS

It is the British Deep State who organizes the hypocrites around the world Because hypocrites possess an evil intelligence. The British Deep State finds and picks the hypocrites easily and uses them against the Muslims. They make use of hypocrites in all kinds of intelligence gathering and seditious activities. As of now, they have already established an evil, diabolical system. They promote evil. Who are they going to fall back on? They cannot fall back on Muslims nor on the dimwitted. They need evil, diabolical men. Therefore, the deep states specialize in seeking out such people. They are experts at seeking out hypocrites. However, the hypocrites already have the ability to find each other; this is a great miracle. In other words, hypocrites live as a clan and do not separate from each other. When hypocrites separate from Muslims, they immediately come together as a clan. This is a great miracle. They cannot get along with the irreligious. They cannot get along with common people or traditionalist

Orthodox Muslims. They can only get along with each other. A hypocrite can easily identify another hypocrite. However, Almighty God informs us that the conflicts among hypocrites are bitter. This is a subject we do not know and have not seen much about. Hypocrites fight like dogs among themselves. Therefore, the British Deep State assembles the hypocrites of, for example, Pakistan, or India successively. This ability is an ability granted to them by satan. It is normally hard to identify a hypocrite, but the members of the deep states can easily find the hypocrites even in a big country such as Turkey or Bangladesh. All the hypocrites of Egypt are at the behest of the British Deep State. They put up a seamless organization, withdraw to their seats and sit around, observing, sipping their drinks, continuing to poison themselves. And being the vicious and slavish henchmen they are, the hypocrites serve them.

HYPOCRITES ARE QUITE LAZY WHEN IT COMES TO SERVING ISLAM, BUT THEY SERVE HYPOCRISY WITH GREAT ENTHUSIASM

Hypocrites put an inexhaustible energy into serving hypocrisy. But when it comes to serving the good of Islam, they become incredibly lazy and any deed they have to do pains them greatly. They serve Islam as simply a formality, to deceive people, but even so, they suffer severely. They do not want to be beneficial to Muslims in any way; when they have to do so, they suffer greatly. They do not want their names to be mentioned with Muslims. They do not want to talk about God or the Qur'an.
