

New Statements by Mr. Adnan Oktar (17 June 2016)

HAZRAT KHIDR (AS) OCCASIONALLY ASSISTS THE MOVEMENT OF THE DAJJAL IF IT ULTIMATELY BENEFITS ISLAM

While God is testing us, He pits four powers against each other in the End Times. Or He joins some of these powers in an alliance. The first one is; Imam Mahdi and his students. In other words, the group referred to as Companions of the Cave (al-Kahf) in the Qur'an. The second one; the Companions of ar-Raqim that is mentioned in the story of al-Kahf. That is Jesus Messiah's close circle of friends. The third is; the group of Khidr. Hazrat Khidr occasionally assists the movement of the dajjal. But he does so if doing so conforms with the Islamic laws, in other words if it ultimately benefits Islam. He also assists the Mahdi and Jesus Messiah. He assists all three of them. However, one should notice that he assists the movement of the dajjal for the benefit of Islam. The fourth power is the movement of the dajjal. The movement of the dajjal is a power currently orchestrated by the British Deep State. Previously, it was orchestrated by the Pharaoh. And then, the Roman Empire took over. So, before the British Deep State, the movement of the dajjal was coordinated by the Roman Deep State, Egyptian Deep State, and before them, in the era of the Prophet Abraham (as), by Nimrod, by Nimrod's Deep State. The movement of the dajjal existed in every era. Deep states draw all their inspirations, ideas, methods and strategies from the satan and rise as the movement of the dajjal in their era. They struggle against the movement of the Mahdi of that era, which is their counter movement. For example, the Prophet Moses (as) was the Mahdi of the Pharaoh's era. And in the End Times, the Great Mahdi (as) will be the one that stands against the British Deep State. Sometimes, Hazrat Khidr assists the movement of the dajjal. But he does so as follows; for example, they are about to pursue a foolish path that will lead to their defeat against the movement of the Mahdi, so Khidr makes this pursuit easier for them. In other words, Khidr leads the movement of the dajjal to the doorstep of Mahdi, but he does so in order to assist Mahdi in defeating it. He does so to help Mahdi defeat the movement of the dajjal. The movement of the dajjal fully draws its ideological system and all their activities purely from satan. The movement of the dajjal is led by an individual and when this individual dies, someone else takes over the lead. That creature is the one who communicates with the satan.

ALL THE DAJJALS ARE MENTALLY DERANGED AND HAVE SCHIZOPHRENIC, HOMOSEXUAL AND QUARRELSOME NATURES JUST LIKE SATAN. DAJJALS ARE THE BIGGEST SERIAL KILLERS IN THE WORLD

All those that lead the deep states are definitely insane. Since they are mentally deranged themselves, they describe their rivals as mentally deranged and insane as well. For example, the Pharaoh calls the Prophet Moses (as) insane. But he is also certain of his own insanity. He is insane because he hallucinates and hears voices. He acts according to these hallucinations and voices. For example, satan tells him, "*You will kill every new born child.*" Just like it is the case with mentally deranged people, just like serial killers appear among them, all dajjals are serial killers as well. In other words, all dajjals are the biggest serial killers in the world. For example, countless murders are currently being committed in Syria, Iraq, Libya, and Afghanistan, all around the world at the behest of the serial killer heading the global deep state.

Rivers of blood are being shed. Without exception, every single one of the dajjals has schizophrenic and homosexual spirits. Satan himself is a homosexual in the first place. He displayed a homosexual personality since the moment he came into existence. When we look at his tone as defined in the Qur'an, it is clearly a homosexual tone. He has a disobedient, rebellious, quarrelsome and unruly spirit that is prone to murder and deviancy. A majority of homosexuals share the same personality. Most murders are committed by homosexuals, as you know. For that reason, the individuals the British Deep State trusts the most are homosexuals. For example, when they install someone as the head of a state, they make a specific point of choosing a homosexual. For example, when they need to appoint an ambassador or a consul to a country, they specifically choose a homosexual. Since satan himself is a homosexual, he wants his minions to be the same as him and inspires the head antichrist accordingly. In other words, he commands the head of the movement of the dajjal to preserve homosexuality in the world, shed copious amounts of blood and wipe Islam from the face of the earth. He orders them to confront anyone suspected of being the Mahdi. What is his purpose? God clearly explains this in the Qur'an as satan says to God, "You will realize that I am right." The satan tells God, "You do not know, but I know" – May God forbid. It is very quarrelsome, snobbish, irrational and maniacal. Satan is a homosexual-natured creature and is unimaginably quarrelsome.

If you pay attention, you will see that all the "Pharaoh"s, all the "Nimrod"s mentioned in the Qur'an are quarrelsome. They are masterful demagogues. They always talk nonsense. When the Prophet Moses (as) preaches about God and religion, Pharaoh says, "Do you hear?" out of mere snobbery, just for the sake of demagoguery and being disrespectful, impertinent. There is no logic behind him saying, "Do you hear?" to those around him. He accuses the Prophet Moses (as) of being insane because he is aware of his own insanity and thinks that only an insane man like himself acts that way. So he approaches others with the same mentality and accuses them of being insane.

THE DEEP STATES ORCHESTRATING THE MOVEMENT OF THE DAJJAL DRAW THEIR INSPIRATION FROM THE SATAN

Nimrod accused the Prophet Abraham (as) of being insane. Rome accused the Prophet Jesus (as) of being mentally deranged. Likewise, they accused Hazrat Muhammad (saas) of being mentally deranged. They accused the Prophet Moses (as) of being mentally ill. They accused all of them of being insane. Who are the accusers? The evil deep states controlling the Pharaoh and Nimrod, and the head of those deep states. The Pharaoh personally attended to their behests. Look, since there were rumors of the appearance of Mahdi, Moshiach in that era, the Pharaoh had all the newborn male babies killed, martyred believing that the Mahdi is surely among them. He was told that there was a possibility of the appearance of Mahdi under such-and-such conditions and among the generation born between such-and-such years. So the Pharaoh commanded "Then, kill all the new born male babies." From where does he draw his inspiration? From the satan. He goes into a trance.

For example, the British Deep State conducts meetings. They have the council of forty, the council of seven and the council of three hundred. They darken the place of the meeting dimming out the lights. The only remaining source of illumination is candlelights. They utter some prayers in their own way to summon satan there. They use certain foul odors they think will please satan. Satan likes foul odors. Thus, they use foul odors to summon him. So, they summon satan using such foul odors. The leader begins to drool and slobber as he slips into a trance, closes his eyes and starts

to repeat whatever satan whispers to him word for word. For example, where the next murder will be committed, which country will be dragged into war and devastated, they take notes of every one of them. Then they put these into practice. This is what happens in a nutshell. Their "three-hundred-year plan" is again the orders satan gave them three hundred years ago. They follow what satan ordered them to do three hundred years ago. This is the story behind "the three-hundred-year plan". And the deep state as a whole is completely under the command of satan.

WILLINGLY OR UNWILLINGLY SATAN SERVES FOR THE BENEFIT OF THE MAHDI MOVEMENT

Rivers of Muslim blood are being shed all around the world. Major incidents occur constantly. But ultimately, they all become instrumental for the appearance of Mahdi (as). Thus, by being its evil self, satan serves for the benefit of Mahdi (as) willingly or not. This is also true for the deep states as they serve for the benefit of Mahdi (as) as well, willingly or not. Because if Darwinism, communism and Marxism did not exist, what would Mahdi (as) struggle against? They constitute the power he will struggle and easily prevail against. For example, Darwinism is concocted by the British Deep State. But Mahdi (as) crushes it. They do so though the imbuelement of satan and God has Mahdi (as) defeat it. We see that God is the One Who holds all power.

WHEN WE LOOK AT THE QUR'AN, WE SEE THAT THE PEOPLE OF HELL DISPLAY QUARRELSOME BEHAVIOR IN THE HELL AS WELL

The British Deep State seeks to turn the Islamic community into a group of snobbish, unruly, rebellious, disrespectful, discourteous, quarrelsome, egoistical, selfish, psychopathic individuals who defy Islam and the Qur'an; which describes satan in a nutshell. This is a short description of the satan's personality. It wants this to be the predominant characteristic among the Islamic community. When we look at the Qur'an, we see that the irreligious and hypocrites display quarrelsome behavior in hell as well. For example, God says in the 96th verse of Surat ash-Shu'ara', "**Arguing in it with one another, they will say:...**" Argumentativeness and quarrelsomeness; these are indispensable qualities, personality disorders of the hypocrites in this world. Pharaoh had it as well, as you can notice from his tone towards the Prophet Moses (as). They all share a highly demagogic, quarrelsome and disputative nature. In a verse of the Qur'an, Almighty God says, "**More than anything else, man is argumentative.**" God states this because it is a sickness. It is a sickness imbued in people by satan.

MUSLIMS ARE ALWAYS CONCILIATIVE, FORGIVING AND PATIENT

Muslims are always conciliatory. In a verse of the Qur'an, God says, "*...some of your wives are an enemy to you.*" An enemy. "*But if you pardon and exonerate and forgive, God is Ever-Forgiving, Most Merciful*" says God. Muslims are consolidative. For example, Almighty God does not tell believers to beat and dismiss their wives. He tells them to be forgiving, patient, and consolidative, and sustain a calm atmosphere. Almighty God could have told believers to "kill them". But He does not say so. Look, God says, "*some of your wives are an enemy to you.*" And He say, "*They might bear enmity but forgive them. Guide them to the true path, be patient. Doing so is more favorable for you,*" says God.

THE SPIES OF THE DEEP STATES ARE NOT AWARE OF THE FACT THAT THEY ARE BEING EXPLOITED. THEY ARE CONTENTED WITH MERELY BEING PRAISED

The deep states acquire and manipulate every cunning and capable man they can find. Some of these individuals do not realize they are operating under the influence of the deep state. They are not even aware of this. In other words, they do not know about the evil masterminds who draw their inspirations from satan. For example, the henchmen of the deep states are unaware of this. So are the individuals employed as spies. The deep state merely praises their intelligence. They say, *"You are very cunning and clever, you will make a good spy."* So these individuals settle for mere praises, it infatuates them to such an extent that they do not even ask for any money. Just tell them how they are smarter than everyone; that is it. British spies have always led destitute lives. Their sole source is being praised. So the deep state has always praised them. The deep state tells them, "Sir William sent you a medal in congratulation of your services," and enraptures them reducing them to tears. They cause the death, the martyrdom of tens of thousands of people. But they are so fascinated by that medal; they do not even care about that. They are told, *"The Queen will reward you for your intelligence"* and they lose their minds. They are told, *"The Queen, the Prime Minister congratulates you"* and they lose their minds. It does not matter if they have retired or become the leader.

HYPOCRITES ARE SELFISH AND LIVE FOR THEIR OWN EGOS. THEY DESPISE LIVING FOR THE GOOD OF OTHERS

Hypocrites and unbelievers have sordid and selfish personalities. Hypocrites are egoistical, selfish and sordid. They do not want to help Muslims achieve something; on the contrary, they seek to take away from Muslims. Hypocrites are always after obtaining something for themselves. They always deem Muslims as beings that should be benefited from; that should be harmed. Therefore, thievery is an enduring trait shared by all hypocrites. As they are selfish and egoistical, they only live for their own interest. They live for their own superiority, egocentricity and haughtiness. They despise living for the good of others. Look, Almighty God says in a verse of the Qur'an, I seek refuge in God from satan; **"...they flay you with sharp tongues, grasping for wealth."** They grasp for wealth; in other words, when they find something of interest, they do everything in their power to acquire it. A great variety of things might draw hypocrites' interest. It might be goods, money, food, clothing; everything can be of interest for them. In order to obtain it, **"they flay you with sharp tongues,"** ambitiously **"grasping for wealth."** Hypocrites always use a vile, snobbish, impertinent tone riddled with demagoguery. **"...they flay you with sharp tongues, grasping for wealth. Such people have no faith,"** God indicates this as a common characteristic of hypocrites, **"and God will make their actions come to nothing. That is easy for God."** (Surat Al-Ahzab, 19) says God.

IT WOULD BE DELIGHTFUL FOR MUSLIMS TO INVITE CHRISTIANS AND JEWS TO THEIR IFTAR MEETINGS

There is this habit of not inviting Christians to iftar dinners; this is very shameful. So is not inviting Jews. Be it Jews, Christians, Armenians, Catholics, Orthodox, they are not invited to iftar dinners. What does God say in the 5th verse of Surat al-Ma'ida? I seek refuge in God from satan: **"Today all good things have been made lawful**

for you. And the food of those given the Book is also lawful for you and your food is lawful for them." What does this mean? God says, "Offer them food." This is a verse of the Qur'an. Why do you invite someone to iftar? So that they have dinner. Why do you abstain from inviting Jews? Why do you abstain from inviting Christians? What does this verse talk about then? **"Your food is lawful for the people of the Book,"** says God. "Your food, the food of Muslims is lawful for Jews and Christians," says God.

HAZRAT MAHDI (AS) IS THE ONE WHO RESEMBLES JESUS MESSIAH THE MOST IN APPEARANCE AND NOBILITY

The Messenger of God (saas) says; ***"The one who resembles Jesus Messiah the most in terms of appearance, personality and nobility is my son, the Mahdi."*** Hazrat Mahdi (as) will bear a remarkable resemblance to the Jesus Messiah in terms of manners and personality. However, Jesus Messiah has a tremendous faith. It is as if he is part human part angel, a mystery only known to God. It is very miraculous. He is as sure of his faith as he is sure of himself, masha'Allah. He has Haqq-ul-yaqeen (the final level of certainty gained through experience) in other words he has an unshakable faith. The Messenger of God (saas) says; *"God will bestow upon Mahdi all of the blessings and characteristics He granted to all the prophets. And beyond that, God will favor him above them all."* I do not know what our Prophet (saas) meant by this but he says so.
