"HARUN YAHYA HAS BECOME A HOUSEHOLD NAME IN THE UK"

With the publication of just four books in the English language, Harun Yahya has become a household name in the U.K. The exceptional quality of research, content and style are astounding, and a pleasure to read. Their success lies surely in that they appeal to people at all levels - those with knowledge and those without, the academic and layperson, the young and the old.

It is to be hoped that these unique books will gain universal appeal and make a significant contribution to international relations and understanding in all spheres of life.
