

# Mezarlıklar kendini vazgeçilmez sananlarla dolup taşmıyor mu?

## ...And to Him shall we return

Harun Yahya

**B**LIGIONS of people have tried to do the same since the beginning of the human race. Adam, Noah, Abraham, Moses, Jesus, and Muhammad (peace be upon them all) have tried to show their followers that they should do as they did at the path of the prophet.

With his chosen son, Ibrahim, Allah gave a special revelation to Adam, Noah, Abraham, and Muhammad. In the Quran, Allah has revealed to us the way to follow His messenger. He has shown us the way to success in this world and the hereafter.

But how does Allah give revelation to His messenger? He has shown us the way to success in this world and the hereafter. He has shown us the way to success in this world and the hereafter. He has shown us the way to success in this world and the hereafter.

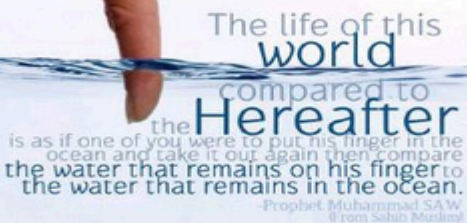

There have been people who have tried to do the same since the beginning of the human race. They have tried to show their followers that they should do as they did at the path of the prophet. They have tried to show their followers that they should do as they did at the path of the prophet.

## Marriage: God's gift to humanity

Raya Stoekharford

**M**ARRIAGE is a beautiful gift from Allah. It is a way for us to achieve happiness and success in this world and the hereafter. It is a way for us to achieve happiness and success in this world and the hereafter.

There are many reasons why marriage is so important. It is a way for us to achieve happiness and success in this world and the hereafter.

*The life of this world compared to the Hereafter is as if one of you were to put his finger in the ocean and take it out again then compare the water that remains on his finger to the water that remains in the ocean.*

Prophet Muhammad SAW  
from Sahih Muslim

people, thinking of their own interests. They are not thinking of the interests of others. They are not thinking of the interests of others. They are not thinking of the interests of others.

When the charity of giving rights is not given, then the rights of the people are not protected. When the charity of giving rights is not given, then the rights of the people are not protected. When the charity of giving rights is not given, then the rights of the people are not protected.

There are many reasons why marriage is so important. It is a way for us to achieve happiness and success in this world and the hereafter.

## I preach about Islam among Christians

Rev. Dr. Mustafa, former minister and elder of Church of England, is shown speaking to a group of Christians in a church. He is shown speaking to a group of Christians in a church.

I have preached about Islam among Christians. I have preached about Islam among Christians. I have preached about Islam among Christians.

There are many reasons why marriage is so important. It is a way for us to achieve happiness and success in this world and the hereafter.

There are many reasons why marriage is so important. It is a way for us to achieve happiness and success in this world and the hereafter.

There are many reasons why marriage is so important. It is a way for us to achieve happiness and success in this world and the hereafter.

Eski kavimler... Hz. Adem'den bu yana, Hz. Musa'nın, Hz. İsa'nın, Hz. İbrahim'in, Hz. Lut'un, Hz. Yunus'un, Hz. Yusuf'un ve Peygamberimiz Hz. Muhammed'in (sav) zamanından bu yana, milyonlarca insan yaşadığı bu dünyada. Hepsinin içinde derin imanlı olan, Allah'a gönülden bağlı olan, ihlasla peygamberlerin ardından giden insanlar vardı. Ve gururla başkaldıran, nefesine uyan ve inatla peygamberlerin yoluna uymayan insanlar da... Hepsi görülmemiş güzellikte medeniyetler kurdular, göz alıcı evler inşa ettiler, göz kamaştırıcı bahçelerde dolaştılar, en güzel sedirlerde, saraylarda, tahtlarda otururdular. Fakat kuşkusuz her insanın ölümlü hayatıyla karşılaştıkları ve bir daha dönmek üzere bu dünyadan göçüp gittiler...

Allah her dönemde putlara tapan, azgınlıkla başkaldıran, büyüklendikçe büyüklenen insanlara peygamberler gönderdi, kutsal kitaplarla ve binlerce ayetle onları doğru yola çağırdı. Fakat bu kavimlerde büyülenme ve kibir o denli şiddetliydi ki, içlerinden ancak çok az insan iman etti. Bunun üzerine Rabbimizin helakî ile hepsi diz üstü çöktürüldü.

**Ne var ki, orda Müslümanlardan olan bir evden başkasını bulmadık. (Zariyat Suresi, 36)**

**Biz, onlardan önce nice insan nesillerini yıkıma uğrattık; (şimdiyse) onlardan hiçbirini hissediyor veya onların fısıltılarını duyuyor musun? (Meryem Suresi, 98)**

**... Onlara uyarıcı-korkutucu geldiğinde, nefretlerinden başkasını arttırmadı. (Hem de) Yeryüzünde büyüklük taslayarak ve kötülüğü tasarlayıp düzenleyerek. Oysa hileli düzen, kendi sahibinden başkasını sarıp-kuşatmaz. Artık onlar öncekilerin sünnetinden başkasını mı gözlemekte-dirler? Sen, Allah'ın sünnetinde kesinlikle bir değişiklik bulamazsın ve sen, Allah'ın sünnetinde kesinlikle bir dönüşüm de bulamazsın. (Fatır Suresi, 42-43)**

Her dönemde kendini vazgeçilmez sanan, küçük dağları ben yarattım havasında olan, şeytanı dinledikçe daha da kibirlenen, kendisini üstün gören, gururlandıkça gururlanan insanlar gelip geçti. İçlerinde ne bilim adamları, ne sanatçılar, ne devlet adamları, ne dünyayı yöneten hükümdarlar, ne bir sözüyle binlerce kişilik orduları yöneten komutanlar vardı. İçlerinde güzellikleriyle, ihtişamlarıyla, heybetleriyle herkesi hayran bırakan insanlar vardı. İçlerinde üstün zekâlarıyla insanların hayatını tamamen değiştiren buluşlara imza atan mucitler vardı. Ama sonuç hiçbir zaman değişmedi. Şimdi mezarların altı bu insanlarla dopdolu. Hiçbiri ölümden kaçamadı, hiçbiri kaderlerinde belirlenen ölüm anını bir an bile ileriye alamadı. Hiçbiri dünyadaki ömrünü bir tek gün bile uzatamadı. Hepsi o çok değer verdikleri bedenlerini, mallarını, mülklerini, aşiretlerini, ailelerini, kariyerlerini, topraklarını, saraylarını bırakıp yapayalnız Allah'ın huzuruna çıktı.

**Her nefis ölümü tadıcıdır. Kıyamet günü elbette ecirleriniz eksiksizce ödenecektir. Kim ateşten uzaklaştırılır ve cennete sokulursa, artık o gerçekten kurtuluşa ermiştir. Dünya hayatı, aldatıcı metadan başka bir şey değildir. (Ali İmran Suresi, 185)**

**Andolsun, sizi ilk defa yarattığımız gibi (bugün de) 'teker teker, yapayalnız ve yalın (bir tarzda)' Bize geldiniz ve size lütfettiklerimizi arkanızda bıraktınız. İçinizden, gerçekten ortaklar olduklarını sandığınız şefaathçilerinizi şimdi yanınızda görmüyoruz. Andolsun, aranızdaki (bağlar) parçalanıp-koparılmıştır ve haklarında zanlar besledikleriniz sizlerden uzaklaşmıştır. (En'am Suresi, 94)**

Bu dünyada merhamet, şefkat, akıl, doğruluk, tevazu, iman daima galip gelir. Ama zulüm, gaddarlık, acımasızlık, enaniyet, kibir ve büyüklenme hep yenilecek şekilde yaratılır. Şimdi yaşadığımız bu dönemde de geçmiş dönemlerde olduğu gibi her ülkede azametli insanlar var. Allah'ı unutup paraya, güce, iktidara tapan insanlarla dolu dünya. Ama bu insanların da geçmiş kavimlerde yaşayan insanlarla çok önemli bir ortak noktası var. Bunlar da tıpkı diğerleri gibi esas gücün, kudretin, azametinin Allah'a ait olduğunu hiç düşünmüyorlar. Kendilerinde sadece Allah'ın sonsuz aklından, sonsuz güzelliğinden, sonsuz ilminden bir parça esinti olduğunun farkında bile değiller. Allah'ın kendilerine verdiği bir parça akılla, zenginlikle, güzellikle etrafa hava atıyorlar. Ama bir türlü nasıl gülünç duruma düştüklerinin şuuruna varamıyorlar. Tüm kâinatı kusursuz yaratan Rabbimizin baki kalacağını, ama kendilerinin her şeylerini bırakıp bir gün mutlaka toprağa gireceğini unutuyorlar. O çok değer verip büyüklendikleri, etrafa kibir saçtıkları bedenlerinin bu kupkuru toprakta çürüyeceğini göremiyorlar.

Onlar için de durum hiç değişmeyecek. Onlar da tıpkı diğerleri gibi bu dünyadan sanki hiç yaşamamışçasına göçüp gidecek. Onlar da milyarlarca insan gibi son derece yalın, sıradan, aciz bir şekilde Allah'ın huzurunda dikilecek. Ve diğer insanlar onların inşa

ettikleri sarayların, yolların, köprülerin üzerinden geçip gidecek. Kimse onların isimlerini hatırlamayacak, kimse onların bu dünyadan geçip gittiğini anlamayacak. Onlar da bu dünyadan gelip geçen milyarlarca insanın arasına karışacak ve onların da üzerine mezarların kapakları kapanacak.

Bu dünyanın sonu büyülenenler için sonsuz bir azap yurdudur. Cehennem ise delicesine susamış bir şekilde kibirlenenleri, Allah'a karşı büyülenenleri bekler. İnsanın en büyük akılsızlığı bu kadar acizken, tüm güç ve kudret Allah'a aitken, şeytana kanıp böylesine şuursuzca bir büyülenmeye kalkışmasıdır. Kuşkusuz öldükten sonra herkes gibi içine düştüğü bataklığın farkına varacak, ama artık geriye dönüş asla mümkün olmayacaktır.

**Allah... O'ndan başka İlah yoktur. Diridir, Kaimdir. O'nu uyuklama ve uyku tutmaz. Göklerde ve yerde ne varsa hepsi O'nundur. İzni olmaksızın O'nun Katında şefaatte bulunacak kimdir? O, önlerindeki ve arkalarındaki bilir. (Onlar ise) Dilediği kadarının dışında, O'nun ilminden hiçbir şeyi kavrayıp-kuşatamazlar. O'nun kürsüsü, bütün gökleri ve yeri kaplayıp-kuşatmıştır. Onların korunması O'na güç gelmez. O, pek Yücedir, pek büyüktür. (Bakara Suresi, 255)**

**De ki: "Ey mülkün sahibi Allah'ım, dilediğine mülkü verirsin ve dilediğinden mülkü çekip-alırsın, dilediğini aziz kılar, dilediğini alçaltırsın; hayır Senin elindedir. Gerçekten Sen, herşeye güç yetirensin." (Ali İmran Suresi, 26)**

Unutmayın ki büyüklendikçe büyülenen, kibirlendikçe kibirlenen ve günlerini ziyanla geçiren milyonlarca insanın yanında bir de son derece tevazulu, Rablerine boyun eğmiş, ihlasla Allah'a yönelmiş samimi kullar var. Onlar bu dünyanın adeta bir rüzgar gibi gelip geçtiğinin çok iyi farkındalar. Sabah akşam demeden Allah rızası için büyük bir ihlasla çalışıyor, Adn cennetlerine girmek için yarışıyorlar. Her nerede olursanız olun, dünyanın hangi şehrinde yaşarsanız yaşayın, siz de bu salih müminlerin arasına katılın. Çünkü onlar cennetin mirasçılarıdır. Onlar bu dünyada çalışıp çabalarken cennetin en güzel köşkleri onlar için hazırlanmaktadır.

Sizler de bu salih müminler gibi dünya hayatının geçiciliğini fark edin ve ahirete için çalışın. Rabbimizin çok esirgeyen ve bağışlayan olduğunu, tüm kullarına karşı çok şefkatli olduğunu ve tövbe kapısının her zaman açık olduğunu unutmayın. Ne mutlu ki bize esirgeyen ve bağışlayan bir Rabbimiz var. Ne mutlu ki bize tüm kullarına sevgiyle ve merhametle davranan, şükrün, ihlasla yapılan salih amelin karşılığını eksiksiz olarak veren bir Rabbimiz var.

# ISLAM IN PERSPECTIVE

## ...And to Him shall we return

Harun Yahya

**B**ILLIONS of people have lived on this earth since the time of the Prophets Adam, Moses, Abraham, Lot, Jonah, Joseph and the Prophet Muhammad (peace be upon them all). They were both of deep faith and sincere devotion to Allah who obeyed their prophets with sincerity as well as proud and rebellious types, who followed their lower selves and refused to abide by the paths of the prophets.

They founded magnificent civilizations, built spectacular homes, walked in delightful gardens and rested on the impressive seats and thrones in the finest palaces. However, everyone will die without doubt at some time; they also died at the time appointed for them in destiny and departed this world, never to return.

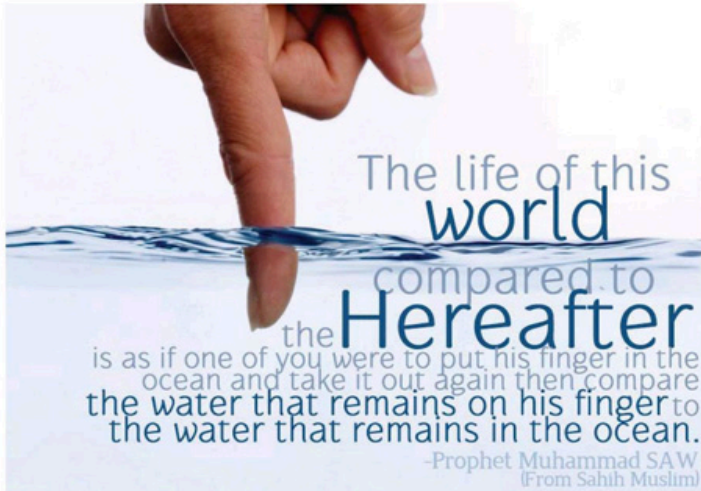

Allah has always sent prophets to people who worshipped idols, rebelled in pride and became ever more arrogant, and called them to the true path with sacred books and thousands of verses. However, these people were so arrogant and proud that very few of them believed. Thereupon, our Lord destroyed them and brought them to their knees.

...but found in it only one house of Muslims." (Qur'an, 51:36)

"How many generations We have destroyed before them! Do you see a trace of any one of them or hear even a whisper of them?" (Qur'an, 19:98)

There have always been people who have regarded themselves as indispensable, given themselves airs of being weaker of wonders, who became ever prouder the more they listened to satan, and who regarded themselves as superior indeed. They have included scientists, artists, statesmen, world rulers and commanders of armies of tens of thousands.

There have been people whose beauty, majesty and splendor impressed everyone; and there have been highly intelligent inventors whose discoveries have changed the course of human life entirely but the result has always been the same: The cemeteries are now full of such people — a grim reminder that no one can escape death. None were able to postpone their appointed time of death by a moment. None managed to extend his allotted time on this earth by a single day. They all left behind the bodies, possessions and assets they valued so much, their

peoples, families, careers, lands and promises, and entered the presence of Allah entirely alone: "You have come to Us all alone just as We created you at first, leaving behind you everything We bestowed on you. We do not see your intercessors accompanying you, those you claimed were your partners with Allah. The link between you is cut. Those you made such claims for have forsaken you." (Qur'an, 6:94)

Compassion, affection, reason, honesty, modesty and faith will always be victorious in this world; wickedness, cruelty, ruthlessness, arrogance and pride are all created such as to be defeated. As in the past, there are self-important people in all countries today.

The world is full of people who forget Allah and worship the temporal or power but these people share one very important thing with those people of the past: Just like them, they never imagine that power and might in fact belong to Allah. They are quite unaware that they are only a reflection of the infinite wisdom and beauty, the infinite might of Allah; they put on airs and show off with the fragments of wisdom, wealth and beauty given to

them by Allah but they never realize what a fragile position they are really in. They forget that our Lord, the flawless Creator of the universe, is eternal, but that they will one day have to bid the world farewell and enter beneath the ground. They fail to see that the bodies they wear are arrogant and put on airs with will rot in the dry soil.

This will never change. Just like those who went before, they will depart this world as if they had never lived. Like billions of other people, they will appear helpless and very ordinary in the presence of our Lord and other people will make use of the palaces, roads and bridges they built. Nobody will even remember their names or realize that they have come and gone. They will join the billions of people who have come and left this world already, and the lids of their coffins will be closed down over them.

The end of this world is a source of terrible suffering for the people who are proud yet fell itself in mistaking those who were insanely arrogant and rebellious against Allah.

People are most reckless, when they are so helpless and all might and power belong to Allah; they are

deceived by satan and become seized with pride. Everyone will realize the swamp they have fallen into after they die, but there can never be any return.

"Allah, there is no god but Him, the Living, the Self-Sustaining. He is not subject to drowsiness or sleep. Everything in the heavens and the Earth belongs to Him. Who can intercede with Him except by His permission! He knows what is before them and what is behind them but they cannot grasp any of His knowledge save what He wills. His Footstool encompasses the heavens and the Earth and their preservation does not tire Him. He is the Most High, the Magnificent." (Qur'an, 2:255)

"Say, 'O Allah! Master of the kingdom! You give sovereignty to whoever You will. You take sovereignty from whoever You will. You exalt whoever You will. You abase whoever You will. All good is in Your hands. You have power over all things.'" (Qur'an, 3:26)

Don't forget that just like there are millions of haughty, arrogant and conceited people who waste their lives in idleness, there are righteous people who are humble and in full submission to their Lord

with great sincerity. Such pious people are very much aware of the fact that this is but a fleeting life, one that is passing very quickly.

With a continuous effort, they work sincerely to earn Allah's pleasure and strive to enter the Paradise. It doesn't matter where you live in the world; make sure to be one of these righteous believers as those people are the ones that will go to Heaven. While they work to deserve Allah's pleasure in this world, the most beautiful mansions in Heaven are being prepared for them.

Just like these righteous believers, understand the fleeting nature of the life of this world and work to deserve Heaven in the hereafter. Always remember that our Lord is the most-forgiving and that He is very compassionate towards His servants and that you can always repent. Don't forget that our Lord is ever forgiving and He always rewards gratitude and every good and sincere deed performed for His pleasure.

## I preach about Islam among Christians

*Kenneth L. Jenkins was former minister and elder of church in Indiana, US. Fully equipped in church training, he however embraced Islam when he came to Saudi Arabia and found Islam here to be different from all the other faiths. He called it his journey from darkness into light. This is the second and concluding part of his story.*

**I** WAS soon to learn the most valuable lesson of any Christian life, which was "all that glitters is not gold." Despite its outward appearance, there were evils taking place that I never thought were possible in the Church. These evils caused me to reflect deeply, I began questioning the teaching to which I was so dedicated.

I soon discovered that there was a great deal of jealousy prevalent in the ministerial hierarchy. Things had changed from that to which I was accustomed. Women were clothing that I thought was shameful. People dressed in order to attract attention, usually from the opposite sex. I discovered just how great a part money and greed play in the operation of church activities. There were many small churches struggling, and they called upon us to hold meetings to help raise money for them. I was told that if a church did not have a certain number of members, then I was not to waste my time preaching there because I would not receive ample financial compensation.

I learned that money, power and position were more important than teaching the truth about the Bible. As a Bible student, I knew full well that there were mistakes, contradictions and fabrications. I thought that people should be exposed to the truth about the Bible. The idea of exposing the people to such aspects of the Bible was a thought supposedly attributable to Satan. But I began to publicly ask my teacher's questions during Bible classes, which none of them could answer. Not a single one could explain how Jesus was supposedly God, and how, at the same time, He was supposedly the Father, Son and Holy Ghost wrapped up into one and yet was not a part of the trinity. Several preachers finally had to concede that they did not understand it but that we were simply required to believe it.

Cases of adultery and fornication went unpunished. Some preachers were hooked on drugs and had destroyed their lives and the lives of their families. Leaders of some churches were found to be homosexuals. There were pastors even guilty of committing adultery with the young daughters of other church members. All of this coupled with a failure to receive answers to what I thought were valid questions was enough to make me seek a change. That change came when I accepted a job in the Kingdom of Saudi Arabia.

It was not long after arriving in Saudi Arabia that I saw an immediate difference in the lifestyle of the Muslim people. I immediately expressed a desire to learn more about this peculiar brand of religion. I was amazed with the life of Prophet Muhammad (peace be upon him) and wanted to know more. I requested books from one of the brothers who was active in calling the people to Islam. I was supplied with all of the books that I could possibly want.

I read each and every one. I was then given the Holy Qur'an and read it completely several times within four months. I asked questions after question and received satisfactory answers. What appealed to me was that the brothers were not keen on impressing me with their knowledge. If a brother did not know how to answer a question, he would tell me that he simply did not know and would have to check with someone who did. The next day he would always bring the answer. I noticed how humility played such a great role in the lives of these mysterious people of the Middle East.

I was amazed to see the women covering themselves from face to foot. I did not see any religious hierarchy. No one was competing for any religious position. All of this was wonderful, but how could I

There were pastors even guilty of committing adultery with the young daughters of other church members.
